CREATIVE LAB

for children 2 to 5 years old

visit www.theblueschool.org for more information

Blue School welcomes registration for the Creative Lab

These auxiliary programs are specially designed for children two to five years old and follow the Blue School curriculum and pedagogy. Each class is taught by our teachers and have a special focus on creative expression through visual arts, music, and movement. An emphasis will be placed on active, engaged instruction with creativity and social emotional learning as its foundation.
